## OUR PROGRAMS

Soccer Shots offers three different programs to meet the developmental needs of children aged 2-8. Programs are offered in childcare centers, preschools and schools, as well as public locations.

### MINI | 2-3 Year Olds

Soccer Shots Mini is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active.

### CLASSIC | 3-5 Year Olds (Pre-K)

Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.

### PREMIER | 5-8 Year Olds (K-2nd)

Soccer Shots Premier focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner.
